Principles Of Agile Development		11 hr 30 min	🌶️🌶️	
Developing with Django		35 hr 00 min	🌶️🌶️🌶️	
Start Portfolio 4 Project	55			**02/07/2025**
Portfolio 4 Project Submission				**04/08/2025**
Unit 5 — Specialism	70	70 hr 00 min	🌶️🌶️🌶️	**05/08/2025**
Start Portfolio 5 Project	80			**16/09/2025**
Portfolio 5 Project Submission				**04/11/2025**

NOTES

PLEASE REMEMBER

You will need to commit a minimum number of hours per week to complete your course. This will depend on your course duration as well as other commitments you may have. This schedule does not take into account public holidays or your own vacation. It also does not distinguish between weekdays and weekends so it's up to you how you allocate the time each week to stay on track and meet your deadlines.
